

NEW 3-HOUR VIDEO OF 1/6 CAPITOL RIOT BY TRUMP SUPPORTERS

Recently, a new 3-hour video of the 1/6 Capitol Riot was released. It is now on YouTube at:

This video has not been previously publicly available. The video has no sound, but it reveals the stupidity and mendacity of Republican politicians who claim that the 1/6 Capitol riot by Trump supporters was only a non-violent protest, or something akin to regular tourist activity at the U.S. Capitol.

In particular, see the section which begins at 1:52:02 – and especially the lunatic rioter (in beard) at 1:56:34.
